

freedom

Sunday School Lesson, Independence Weekend-Sunday, July 3, 2022

Memory Verse: Jesus said, "If you hold to my teaching, you are really my disciples. Then you will know the truth, and the truth will set you free." John 8:31-32 (NIV)

On this Independence weekend, we celebrate our independence from another government, England, which wanted to control us. We celebrate our freedom as a free people. We are very blessed to live in America especially because we have the freedom to worship and serve God as we choose. Never take this for granted. Why? First, because many people sacrificed for our freedom, even those in your own family tree. As important, we have the greatest freedom of all in Jesus Christ who died on the Cross. We have the power and the freedom to be his disciples!

This week's challenge:

Think of ways to learn about Jesus and become more like Him.

Prayer: Dear God, bless our country and bless our freedom to become more like Jesus Christ. Amen.
